I respectfully adhere to my former
It is ~~policy~~ ^{of sound sense} policy to try to adjust the
salaries of professors in a college to every
change in the routine. A professor may
have higher classes in one season and lower
classes in another and may yet draw the

pay to classes taught in respect of date need
not therefore be sanctioned.

Under His Highness' orders conveyed in Mr Campbell's D O No 214 dated 14th December 1910 Mr H R Krishnamurti, Lecturer in Mathematics in the Maharaja's College, was promoted from class C III to class C II of Educational officers, by Government Proceedings No 5724-5/Wd 15-09-2 dated 5th January 1911, and the promotion was given effect to from the date of the order

2) With his letter dated 18th March 1911, the Inspector General of Education has forwarded an application from Mr Krishnamurti praying that he may be given the promotion from February 1909, when he began to do B A work in Mathematics. The Principal of the Maharaja's College "recommends Mr Krishnamurti's promotion to have retrospective effect either from February 1909 since when he has had to do the bulk of the B A work or from November 1909 since when he has had entire charge of it". The Inspector General recommends that the promotion may have effect from the latter date

My dear Sir,

(1)

I see from the notes on File No 254 dated 8-8-11, that if Mr H R Krishnamurti be given his grade promotion to Class C II with retrospective effect from November 1909, he will go over the heads of Messrs Venkatnarnappa and Hiriyanna. Is this the intention of the Council? If the intention be otherwise would it not be fairer to give Mr Krishnamurti the allowance already suggested by you for his past work, leaving his grade promotion to take effect from 5th January 1911.

(2)

The question of the supercession of Messrs Venkatanaranappa and Hiriyanna is not touched on in the notes by you or the Councillors and I think it would be advisable to have the Council's opinion on record before I submit the papers to His Highness.

Yours sincerely,

26 Mr B. Venkatanamappa has now been ordered to be put into class B II instead of in class C II from 1st Jan^y 1910. He will therefore be unaffected by the promotion of Mr Krishnamurthi with retrospective effect.

27 The promotion of Mr Krishnamurthi as proposed would take him over Mr Hinganna who was promoted to class C II from 1st Jan^y 10, but it may be observed that while both were in class C III Mr Hinganna was far junior to Mr Krishnamurthi the former being 24th & the latter 3rd in the list. Mr Hinganna need not therefore feel aggrieved by ~~the~~ Mr Krishnamurthi's promotion with retrospective effect.

28 If it is considered that Mr Krishnamurthi need not go over Mr Hinganna the promotion may be given with effect from 1st Feb 10 or some date subsequent to 1st Jan.

My dear Sir,

With reference to the point raised in your D O No 64 dated 11th August 1911, viz that the promotion of Mr H R Krishnamurti to Education class Cii from November 1909 would involve the supersession of Messrs Venkatanarnappa and Hiriyanna who are already in that class, I write to say that, as pointed out in the Officiating Secretary's note dated 17th August 1911, Mr Krishnamurti's promotion does not affect Mr Venkatanarnappa as the latter has recently been put into the Bii class. Before Mr Hiriyanna's promotion to class Cii he was 21st in class Ciii while Mr Krishnamurti was third. Both the Councilors are therefore of opinion that Mr Krishnamurti's promotion to class Cii may be given from November 1909, as recommended in the Council Resolution although thereby he will go over Mr Hiriyanna. I cannot agree in this because their relative position before Mr Hiriyanna's promotion is not relevant on the present occasion and the fact that Mr Hiriyanna has already superseded Mr Krishnamurti has to be accepted as an accomplished

fact moreover, Mr Hiriyanna is an M A , and the Head-
master of a Normal School, while Mr Krishnamurti is only
a lecturer in Mathematics, whose results at the Univer-
sity examinations have not been conspicuously good, as
will appear from the annexed statement, in regard to which
some explanations have been semi-officially called for

SIR

In forwarding for favourable consideration the enclosed application from Mr H R Krishnamurti, B A , Assistant Master, Maharaja's College, I have the honour to state that Mr Krishnamurti has been in sole charge of the B A , Work in Mathematics ever since I left the College in 1900. The Principal of the Maharaja's College says "I feel I cannot speak in too high terms of his faithful and conscientious service during the time he has been brought more directly under my notice". He recommends Mr Krishnamurti's Promotion to have retrospective effect either from February 1909 since when he has had to do the bulk of the P A work or from November 1909 since when he has had entire charge of it

2 I recommend that his promotion be made to take effect from the latter date, as Mr Krishnamurti is to be shown no consideration for the higher responsibility other than this

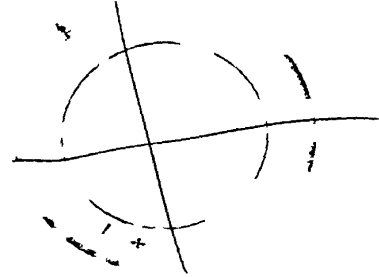

I have the honour to be,

Sir,

Sir,

PR

With reference to the Government Order
No 5724-5 Ed 15-09-2 dated 5th January 1911
promoting me to class C II of Education Officers
(210-15-300) with effect from the date of order and
observing that no separate allowance will be given
to me for teaching Mathematics in the BA, Classes,
I beg to make the following representation for favourable
consideration

Being deeply thankful to the Government
for having been pleased to confer upon me this
promotion, I regret having to make this representation
that has a tendency to suggest want of complete
satisfaction on my part. I should have refrained
from doing so, had I not felt that my case would
receive a more favourable consideration when it
is clearly put once again before the Government.

I was recommended for promotion
to C Class II (210-15-300) so far back as February
1905 but the Government sanctioned me a
personal allowance of Rs 30 a month till my
promotion to the next higher class. This order of
the Government was modified by a subsequent Order
in 1907 so as to make my pay with allowance not
to exceed Rs 210.

I have been doing the duty of Professor of Mathematics since February 1909 when Mr T R Venkataswamy Nayudu was transferred to the Inspectorate and on this consideration I was recommended for promotion to the higher class in June 1909

Since the elevation of J. Venkayya M.A., to the place of Inspector-General of Education in November 1909, I have been in sole charge of both the Mathematics sections of the B.A. Classes

In recognition of my work, the Government have been pleased to promote me to 'Class C II' with effect from 5th January 1911 with an observation that no separate allowance will be given to me for my work in the B.A. Classes, though they have been graciously granting allowances to officers in lower grades when they are entrusted with the work in the B.A. Classes

Since this promotion as I understand is usually given to me in recognition of my B.A. work I request that it may be given effect to from the day I began to do the duty of Professor of Mathematics
